Maremma Toscana Rosso DOC, Fattoria dei Barbi 2019

Monica Larner

“ A blend of 60% Sangiovese, 30% Cabernet Sauvignon and 10% Merlot, the Fattoria dei Barbi 2019 Maremma Toscana Rosso is easy-drinking and pleasurable from all points of view, gearing up to integrated aromas of dark fruit and spice and revealing an open-knit and approachable drinking style. Fruit comes from the Aquilaia dei Barbi vineyard in Scansano, and 9,500 bottles were made. The 2019 vintage saw drought during the summer months but without the challenging temperature spikes that can lead to imbalanced wines. Drink 2022 - 2027. ”
