Rosso di Montalcino DOC, Fattoria dei Barbi 2021

Eric Guido

“Dark earth and tobacco tones give way to dried black cherries as the delicate 2021 Rosso di Montalcino opens in the glass. This is soft and enveloping, showing ripe red and blue fruits and pretty inner orals. The 2021 nishes with a staining of primary concentration, leaving a violet resonance and spice hints. This is a very subdued vintage of Barbi’s Rosso. Drinking Window: 2023-2027. ”
