Rosso di Montalcino DOC, Fattoria dei Barbi 2021

Michael Godel

“Barbi’s Rosso is spot on 2021 juicy, fresh and high acid to gift what is right and correct. Having tasted samples and also a finished bottle of the Stefano Cinelli Colombini’s Toscana Rosso Senza Sulfiti there is no doubt about the connection between the two wines. Puts each in good light and makes sense of their complimentary positions as kinfolk each so fine to sip. Drink 2024-2026. Tasted November 2023.”
