Senza Solfiti IGT Toscana Rosso, Fattoria dei Barbi 2021

Michael Godel

“ [...] From concepts developed with the University of Pisa, clean as it could possibly be, a hint of carbonic pulse, extreme freshness, lightning red fruit, cracker acidity and an ideal match as an aperitivo with Barbi’s sharp cheeses coming out of the Caseificio dei Barbi. Drink 2023-2024. Tasted November 2023.”
