Brunello di Montalcino DOCG, Fattoria dei Barbi Riserva 2019

Monica Larner

“Fattoria dei Barbi excels at making cellar-worthy Brunellos. Released one year after the village expression, their 2019 Brunello di Montalcino Riserva is actually more open-knit compared to the other releases from 2020. It is ultimately easier to drink in the near or medium term thanks to velvety tannins, ripe cherry fruit and sweet tobacco. Drink Date 2026-2038.”
